Here's a clean version we can discuss with Darcy at 11:30am today. She is out after today, so I wanted to get her draft docs asap and have a chance to discuss.

I'll clean up the other briefing doc next and get both out to Darcy in the next few minutes. These are just draft, so we'll still have a chance to review and edit.

Thanks!

Sarah E. Bahrman | Acting Director, Safe Drinking Water Program | U.S. Environmental Protection Agency - Region 8

Hi all –
Here's the paper with my comments on top of Douglas's and Valois's. The track changes aren't perfect (Douglas's input on the end shows up as edits I made), but everyone's input is reflected. I took out some of Valois's comments in the margins where I agreed and went ahead and added the language she suggested.

Douglas and I both had a lot of comments – please review and edit, accordingly. Please also weigh in on whether we have a recommended option.

Thanks!
Sarah
